

Maths Revision Resources for Economics Students

Jess Ryan

Aim of the project

- Revision Resources
- Worked Examples
- Practice Questions

What I did

- Newcastle's maths support wiki
<http://mathsupport.mas.ncl.ac.uk/wiki>
- Edited and checked existing pages
- Wrote pages for Economics students
- Numbas

Challenges

- Latex
- Numbas
 - Creative Questions
 - Testing students' understanding
- Wiki software

Future work

- More numbas tests
- Partial Differentiation
- Matrices
- Statistics

What I learnt

- To write clearly and concisely
- How to use latex, numbas and wiki software
- To work independently

Thank you
